Description

Description:

CRIKVENICA, KAČJAK - powerful villa of 800m², second row to the sea on a plot of 2000m². In the DUX offer, we highlight an excellent opportunity to buy a larger villa with a special character in Crikvenica. A beautiful house of Mediterranean architecture has a total living area of 800m² on 4 floors. It was built 50 meters from the sea on a plot of 2000m² with a panoramic view of the sea. It is a special house in which, in addition to resources, a lot of love and effort has been invested. This house, which consists of 4 units (currently connected), also includes a separate separate building consisting of a 75m² garage and a larger guest suite and guest suite of 78m². The layout of the interior of the house is as follows: - basement - apartment with one bedroom and a south-facing terrace of 40m² + terrace of 39m² - ground floor - floor of 188m² with 3 bedrooms and a living room of 52m² with access to a covered terrace of 49m² - first floor - floor of net 133m² with 4 bedrooms, living room + kitchen + dining room 27m² and a terrace with a panoramic view of the sea 45m² - second floor - floor of net 139m² with 4 bedrooms, living room, kitchen and dining room and terraces of total size 30m² On the land in front of the house there is the possibility of building a swimming pool and a tennis court. The air distance to the sea is 50 meters, or a few steps to the first beach. The advantage of this property is a quiet and private street. Marble has been installed on most of the building, the construction is of exceptional quality, and special master services were used in landscaping. Important notes - 5 residential units - large garage - close to the sea - quality construction - excellent carpentry It can be said that this is a great opportunity for clients looking for a larger house near the sea that will be adapted to their taste.
