ceilings with three classic and two skylight windows and a door leading to a spacious terrace created for summer enjoyment under the clear sky. The house is decorated with great care, with many stone details, wooden windows with shutters and wooden doors with good insulation. It is very pleasant both in summer and winter, in summer it is especially pleasant, i.e. fresh in the dining room, i.e. in the living room, and in winter it is easy to heat the entire space with two quality air conditioners, one on the ground floor and one on the first floor. The orientation is east-west and there is always enough light and airiness, and in the hot summer months it is pleasant on the lower terrace, which is on the eastern side, and in the afternoon the upper terrace is in the shade, so you can enjoy the open space at any time. The house is fully, qualitatively and tastefully furnished and equipped and is being sold as such. It has a parking space for one larger car or two smaller ones. Construction and ownership documentation is in order. The energy certificate is C.
