Description

Description: Pican, a house in the old town center. We are selling a terraced house in the old town center of Pićna. The property consists of four floors. On the first floor there is a living room connected to the kitchen and dining room and a toilet, while on the second floor there is a bedroom with a bathroom. The third floor consists of one bedroom and the entrance to the fourth floor, which is intended for storage. The property was completely renovated in 2008. Exterior carpentry, installations and walls were adapted. It is necessary to arrange the interior of the property, even for that reason, this house is like a canvas that the future owner will complete and arrange according to his wishes. It has great potential for a family home and a tourist facility that will surely return the investment. ID CODE: 2005-217
