Description

Description: Istria, Fažana, A plot a step from the sea in Fažana with a project. Fažana, with its beautifully decorated beaches and promenades by the sea, is a real treat for lovers of quality vacations because, in addition to the above, it leads the tourist offer

during the season, while it is an ideal place for life and family all year round. A handful of facilities such as a school, kindergarten, shops, pharmacy, restaurants and coffee bars ensure a high quality of life and rest. The location is what makes this plot of 839 m2 stand out, which is located in a quiet street just 200 meters from the first beach and the sea. The conceptual project contains a semi-detached building with an open space on the ground floor (kitchen, living room and dining room, corridor, toilet and storage room). The first floor is reached by stairs, where there are two rooms, a bathroom, two bedrooms and a storage room. All infrastructure is located next to the plot. The plot also offers two parking spaces. On the second floor there is a spacious room, a bathroom connected to the balcony and pantry. Around the plot there are family houses, smaller residential buildings and holiday homes. This building plot is a real opportunity for investors who want to invest in a highly profitable investment, given that this type of real estate in Fažana is always in demand on the market.
