Description

Description: Pula is a city located on the southern part of the Istrian peninsula in Croatia. With

its beautiful coast, crystal clear sea and lush greenery, Pula is a popular tourist destination that attracts visitors from all over the world. Pula is known for its history, ancient monuments, including an impressive amphitheater (Arena). The climate in Pula is Mediterranean, with warm summers and mild winters, which makes it an ideal destination for tourists who want to escape the cold continental climate. The building is located in the Monte Turco settlement, in the immediate vicinity of the city of Pula. The building is a two-story building with six residential units, i.e. two residential units on each floor. The architectural style of the building is modern, with clean lines and a minimalist design. The exterior of the building is made of high-quality materials. The use of such materials gives the building an elegant contemporary look. Each apartment is spacious, with an average size of 38 m2 to 93 m2. This attractive residential module is an ideal place for every individual or family to live. Start of construction 9/2024 Apartment S6: 3 bedrooms, living room with kitchen, 2 bathrooms, terrace - 4.53 m2, loggia - 3.97
