Description

Description: Istria, Rovinj, surroundings Near Rovinj, a few minutes' drive from the very center with the old town center and all the necessary facilities for living and enjoying the city, there is a house surrounded by greenery. It is located near the famous Turnina fortress, which is one of the rare examples of a medieval residential tower in this area. The house covers 70m² of living space and consists of an entrance hall that is well lit thanks to the large windows, a living room with a kitchen, a bedroom and a bathroom. A wood-burning stove and a fireplace provided heating, while an air conditioner provided cooling. The house was completed in 2019 and is equipped with everything necessary for a comfortable life in the peace of the suburbs. The house itself is located on a plot of 2870m², giving you plenty of space to enjoy nature. On the property there are two auxiliary buildings, storage rooms with a total size of approximately 40m², and a beautifully fenced garden that allows you to grow fruits and vegetables according to your own wishes. The size of the land gives you the possibility of horticultural arrangement according to your own needs and wishes. This property is perfect for those who want to live in the peaceful surroundings of a green oasis, yet be close to all the amenities of the city. With the possibility of decorating according to your wishes, this house also offers the potential for tourist rental, which is an excellent opportunity considering the growing demand for accommodation during the summer months.
