Description

Description:

Istria, Umag (Apartment 2-31) In the northwest of the Istrian Peninsula, in the city of Umag, we offer modern apartments under construction. Umag has long been an attractive destination, known since ancient times as a summer residence, and today is famous for its rich content throughout the year. The city has been declared the European City of Sports and hosts various events, concerts, performances, and exhibitions. The new building is located near shops, kindergartens, schools, and within walking distance of the beaches. It consists of four entrances with a total of 122 apartments of different sizes. The apartments are vertically connected by elevators and a staircase. Ground floor apartments come with an adjoining garden for additional comfort. This project is ideal for young families and those seeking peace and rest. The expected completion of construction is June 30, 2025. This spacious apartment, with a total area of 51.44m², is located on the second floor of the building, facing east. It consists of an entrance area, 1 bedroom, 1 bathroom, and a spacious living room with a kitchen and dining area. The living room has access to a balcony of 9.25m². The apartment also includes a storage room of 3.35m², and 1 garage space. The total area you are purchasing is 67.29m².
