Description

Description:

ISTRIA, POREČ - Modern and spacious apartment in a great location with a sea view! Poreč is one of the most visited tourist centers in Croatia, and one of its oldest cities, inhabited since prehistoric times. During the 2nd century BC, the Roman castrum was built on a small peninsula, on which the core of the old city stands today. During the reign of Emperor Augustus in the 1st century, the castrum was officially declared a city and included in the Roman colony Colonia Iulia Parentium. In Roman times, Poreč got its first walls, the whole city was walled except for the western side, i.e. the tip of the peninsula, where the temple of Neptune or Jupiter was located. The apartment marked A304 is located on the third floor, facing north, with a total size of 84.46 m², it consists of an entrance hall, bathroom, kitchen, toilet, utility room, living room, two bedrooms, a covered balcony and an attached garage with storage. The project is not based only on the quality of the building itself, but also on the environment of the building, Residence S25 envisages the planting of Mediterranean plants and trees that will raise the entire project to a higher level of horticultural landscaping of this ultimate Mediterranean "residence" for our future customers. As for the materials and the interior of the building itself, the Residence S25 building will be equipped with an elevator with an entrance station in the garage to each floor. The exterior and interior decoration of the building and apartments will meet high construction quality criteria as well as a high energy certificate A+: thermal facade system, storey heating and cooling system with inverter air conditioners in the living area of the apartment and all rooms, top quality Italian ceramics and first-class laminates, entrance anti-burglary doors with coded keys, residential carpentry made of high-quality PVC/ALU profiles glazed with double IZO glass filled with argon, electric underfloor heating in the bathrooms, what makes this entire project a great investment opportunity!
