Description

Description: ISTRIA, POREČ - A new luxury project in the heart of Poreč! Poreč is a place

with a long and stormy history that preserves traces of the past in its old core. More than two millennia have passed since the Roman era until today, and the streets of Poreč still preserve their original architecture and numerous cultural and historical monuments, the most significant of which is the Euphrasian Basilica with famous mosaics from the VI century. century, which came under the protection of UNESCO in 1997. The favorable location of Poreč enables its residents as well as guests to visit other important localities located in its immediate vicinity; one of the most beautiful cities in the world - Venice, Brijuni National Park, Baredine Cave, Pula Arena, Pazin Cave and the Lim Channel. This new building with a total of 30 apartments is located right in the heart of Poreč. The Residence S25 project is not based only on the quality of the building itself, but also on the environment of the building, it envisages the planting of Mediterranean plants and trees that will raise the entire project to a higher level of horti-cultural landscaping of this ultimate Mediterranean "residence" for our future customers. As for the materials and the interior of the building itself, the Residence S25 building will be equipped with an elevator with an entrance station in the garage to each floor. The exterior and interior decoration of the building and apartments will meet high construction quality criteria as well as a high energy certificate A+: thermal facade system, storey heating and cooling system with inverter air conditioners in the living area of the apartment and all rooms, top quality Italian ceramics and first-class laminates, entrance anti-burglary doors with coded keys, residential carpentry made of high-quality PVC/ALU profiles glazed with double IZO glass filled with argon, electric underfloor heating in the bathrooms, what makes this entire project a great investment opportunity! Apartment A102 is located on the first floor of a total of four floors. It consists of an entrance hall, a bathroom, a kitchen, a living room, a bedroom and a covered balcony, and it covers an area of 58.12 m². The apartment also has a garage. The completion of the project is scheduled for March 2025. **DIRECT CONTACT WITH THE AGENT:** Agent: Nikola B. Mobile: 095 377 5581 E-mail: nikolabaltic.elite@gmail.com
