Description

Description: ISTRIA, POREČ - High-quality new building with a view of the sea and the city

of Poreč! Poreč is a city that uniquely combines a rich cultural and historical heritage with the most modern conveniences of a top tourist destination. A vacation in Poreč will delight you at every step, throughout the year. From clean beaches that carry the Blue Flag label, nightlife and many cultural and festival events, to the green Mediterranean environment that invites recreation, sports and adventure. A vacation in Poreč also offers an encounter with a unique historical and cultural heritage, in which the famous Euphrasian Basilica under UNESCO protection, one of the most impressive sacred buildings on the Adriatic coast, occupies a special place. Don't miss discovering the beauty of the authentic Istrian interior with its widely known gastro-enology, and be sure to visit the nearby colorful town of Motovun, famous for its international film festival in the last decade. The apartment with the designation A002 is located on the ground floor, facing south, with a total size of 53.35 m², it consists of an entrance hall, bathroom, kitchen, living room, bedroom, covered balcony, storage room and attached garage. The project is not based only on the quality of the building itself, but also on the environment of the building, Residence S25 envisages the planting of Mediterranean plants and trees that will raise the entire project to a higher level of horticultural landscaping of this ultimate Mediterranean "residence" for our future customers. As for the materials and the interior of the building itself, the Residence S25 building will be equipped with an elevator with an entrance station in the garage to each floor. The exterior and interior decoration of the building and apartments will meet high construction quality criteria as well as a high energy certificate A+: thermal facade system, storey heating and cooling system with inverter air conditioners in the living area of the apartment and all rooms, top quality Italian ceramics and first-class laminates, entrance anti-burglary doors with coded keys, residential carpentry made of high-quality PVC/ALU profiles glazed with double IZO glass filled with argon, electric underfloor heating in the bathrooms, what makes this entire project a great investment opportunity! The planned completion of the project is March 2025. **DIRECT CONTACT WITH THE AGENT:** Agent: Nikola B. Mobile: 095 377 5581 E-mail: nikolabaltic.elite@gmail.com
