Description

Description:	PAKOŠTANE - BEAUTIFUL PENTHOUSE FURNISHED AND DESIGNED SPECIALLY FOR TOURISM AND YOUR HOLIDAY - P1 This project
--------------	---

represents a unique offer on the Croatian market by creating the first club apartment building with 6 units intended exclusively for tourism, where the owner can not only spend his vacation near the Adriatic Sea, but be You can also look forward to your investigative efforts in the future owner brings passive rental income. You can achieve all this with the support of professional partners and investors, and realize the dream of entrepreneurs from all over Europe - to own an apartment with the services typical of luxury real estate along the Adriatic coast. Project commercial called "ALMIVER Club Residence" has the following characteristics: - Total land area: 670 m². m.; - It is located on the side of the Jadranska highway – A three-story residential building between the Adriatic Sea and Lake Vrana. For this project, the development plan is based on authentic, functional and ergonomic design. The plan envisages the creation of 6 fully furnished apartments. The final product is spring apartments ready to move in. Sale of apartments for private needs and as a ready-made job for further renting to tourists. The service model provided by Pinch Hospitality includes a contract for after-sales maintenance and operation, ie Pinch will manage the building as a rental property for tourists based on the "turnkey" principle. The property is located near supermarkets, playgrounds, beaches, very good access to the main road, several national parks. Currently, there is no company or trade in Pakoštani and the surrounding area that deals with similar fully serviced projects. It is a unique offer in the real estate sector in the region; a good characteristic of the job: - Proximity to other tourist resources such as: protected nature parks, beaches, cultural landmarks of historical value - Road, maritime and air infrastructure (European standards) - Warm climate optimal for tourism (6 months and years) - A team of staff with extensive international experience in the sector, as well as knowledge of European languages - Staff with charisma and focus on the customer - Fast growing business - Knowledge of local legal procedures Pakoštane and its surroundings are interesting for international and domestic tourists as a destination. There is still great potential for the development of the tourist sector in Pakoštane, and the government is interested in the development of tourism in the region. There is a great demand for apartments in Pakoštani, and the concept is aimed at meeting a wide spectrum of tourist needs, and the possibility of resale; After taking over the apartments, it is possible to provide the following services: • Real Estate Administration • Cleaning services; • Preparation of the object for the reception of the owner and his guests; • Representation of property; • Planning, organization of renovation works; • Control of subcontractors; • Brokerage; • Preparation of real estate for short and long term rental; • Reception of guests; • Works of preventive and corrective maintenance of real estate; • Development and implementation of marketing and sales concepts in order to maximize revenue; • Planning, implementation and coordination of a turnkey project.
