Description

Description:

ISTRIA, LABIN - Modern renovated stone house with swimming pool On the southeastern coast of Istria, where green hills meet the sea, where nature and heritage meet, there are two small towns of similar size, but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 m high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. In peace and quiet in the surroundings of the town of Labin, surrounded by green pastures, forests, hills, traditional houses and old local roads, a modern renovated stone house with a swimming pool is for sale. The house was created by the reconstruction of an autochthonous Istrian house from the beginning of the 20th century, using old crafts and the use of original materials and construction methods, and is distinguished by a combination of authentic and modern. The interior of the old stone house, which was saved from oblivion and completely adapted to the modern lifestyle through adaptation, radiates an ambience filled with the warmth of wood and the freshness of stone with a combination of modern and rustic style furniture. The living area is divided into ground floor and first floor. On the ground floor there is a living room, a dining room and a kitchen with exits to a spacious covered terrace and a bathroom, while on the first floor there are two bedrooms and a bathroom. The house is surrounded by a meticulously arranged garden that offers a combination of comfort, peace and nature, and it is decorated with an outdoor pool of 40 m². Far from the noise of the city, this property is an ideal opportunity for a quiet family life as well as an investment for the purpose of tourist rental. Dear clients, the agency commission is charged in accordance with the General Business Conditions:
