| Description: | ISTRIA, ROVINJ - Spacious idyllic estate The most attractive picturesque Istrian town of Rovinj, with the old town under UNESCO protection, is the eternal |
|--------------|--|

inspiration of romantics and artists and one of the most developed tourist destinations in Croatia. It is located on the west coast of Istria and is adorned by a distinctly indented archipelago with as many as 14 islands and 6 cliffs along 67 kilometers of coastline that is protected natural heritage. Beautiful indented coast, specific mild Mediterranean microclimate, excellent gastronomic offer, year-round cultural events and nice and friendly hosts make this place magical. Not far from the town of Rovinj, in the autochthonous Mediterranean climate not far from the rocky coast with small sandy coves, for sale is a spacious idyllic property. This fairy tale surrounded by olive trees, stone, earth and untouched nature spreads over 21163 m². Without disturbing the natural environment on the property there are two houses with a total living area of 117m². Both ground floor houses consist of a living room with kitchen and dining area in an open concept, a bedroom, a bathroom and a covered terrace. The houses are airy and comfortable enough to create a fantastic oasis of a completely different world from the one we are used to. Uninterrupted peace is provided in the pool of 58 m² with a sun deck and the only sounds that 'break' the silence are the chirping of birds and the swaying of branches in the wind. Due to its isolated and quiet location, hidden from view, this is an ideal opportunity for a quiet family life, rest and relaxation or as an investment for rent for tourist purposes. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions
