Description

Description:	For sale is an attractive building plot of 1177 m2, located in Grba, near the famous tourist towns of Zuckva and Vrsa, and the town of Nin. The land is of a regular shape, measuring 26 meters in width and 46 meters in length, with an asphalt driveway. Considering its location, the possibility of construction, the availability of connections for basic communal services right next to the plot, and the distance of only 500 m from the sea, this land represents an extraordinary opportunity to build a holiday home or a smaller building with apartments.
