Description

Description: For sale is a building plot with a total area of 592 m², on which, according to the project, a residential building of approx. 140 m² of usable area is planned. The future building would have two floors and on the ground floor there would be a living room, a study, a toilet and a storage room and a covered terrace, and on the first floor there would be two bedrooms, each with a bathroom and a wardrobe and an entrance hall. The land offers a wonderful panoramic view of the open sea and the islands of Sridnjak, Vrhovnjak, Crklica and the island of Lastovo. An excavation for the future building has already been made on the land.
