Description

Description:

Istria, Štinjan A small town located between Pula and Fažana. The location is well connected by traffic and the sea is only 600m from the apartment. All necessary facilities are located in the immediate vicinity. This project consists of 17 apartments that extend through a two-story building. The building has an elevator and each apartment has a designated parking space in the yard. The apartments will also have underfloor heating, electric elevators, air conditioning and mosquito nets. The buyer does not pay real estate sales tax! This apartment is located on the ground floor of the building and consists of an entrance hall that leads to a large space shared by the kitchen, living room and dining room with access to the terrace. On the left side there is one bedroom and a bathroom with a total square footage of 39.55m2. This project offers the opportunity to own a quality and modern apartment in the immediate vicinity of the beach. This alone guarantees an excellent choice for everyday life, but for the same reasons it offers an opportunity for an excellent investment and a quick return on investment through a tourist rental. We are at your disposal for any additional information. ID CODE: 1037-217
