These two houses are located in a quiet place not far from the town of Poreč and its beaches, offering a combination of a relaxing environment and proximity to tourist attractions. The houses are fully furnished and are already successfully operating as tourist accommodation. Their common area is 168 m<sup>2</sup>, and the separate area is 84 m<sup>2</sup>, with a garden of 704 m<sup>2</sup> in total and four parking spaces. The houses are spread over two floors. On the ground floor of each house there is a spacious living room, kitchen and dining room according to the open space concept, one bathroom and a storage room. We climb the wooden staircase to the first floor where there are two bedrooms, a bathroom and a laundry room. Through the living room we go out to a covered terrace with a sunbathing area and a swimming pool. The terrace allows pleasant moments in the fresh air, either for relaxation or socializing. Heating and cooling is planned through air conditioning. The house also has a built-in chimney, on which it will be possible to install a wood or pellet stove at a later date if the buyer wishes. Not far from the place, you can find everything you need for life, such as a school, clinic, post office, shop, restaurants and children's amusement parks. The house is decorated in an authentic Mediterranean style, providing warmth and charm to the space. The location in a quiet place ensures a relaxing environment for guests, and the fully furnished house facilitates further management and maintenance. These two houses in a quiet place represent not only a comfortable home, but also an opportunity for investment in the tourism sector.
