Description

Description:

ISTRIA, PULA Modern family house 3 km from the sea! Pula lies on the southwestern part of the Istrian peninsula in a well-protected bay and is the largest city in Istria. It is known, like the rest of the region, for its mild climate, calm sea and untouched nature. The town has a long tradition of winemaking, fishing, shipbuilding and tourism, and is also a transit port. Pula has been the administrative center of Istria since Roman times. Today, around 67,000 people live in the inner city area, but the area that gravitates towards it every day, and due to a combination of circumstances, is not administratively included in the structure of the city, although, in fact, it is an integral part of it, has more than 100,000 inhabitants. This modern villa is located only 3 km from the first beaches and 3 km from the city center. It extends through the ground floor and the first floor and has a total living area of 100m². It consists of an entrance hall, living room with kitchen and dining room, one bedroom and bathroom on the ground floor. We climb the internal staircase to the first floor where there are two bedrooms and one bathroom. The villa was built to a high standard, and high-quality and modern materials were used in the interior decoration. The property is fully furnished and is being sold as such. All rooms are air-conditioned and the bathrooms have underfloor heating. An ideal opportunity to start a family life in a quiet location or for a safe return on investment through renting for tourist purposes. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 26579
