Description

Description:

Istria, Pula, surroundings Building land for sale with a total area of 521 m2 with valid building permit and project. The infrastructure is located next to the land. The project was made for a villa with a swimming pool and three bedrooms, but it is also possible to change the building permit. Located in a quiet neighborhood, this lot offers privacy and quiet, creating an ideal environment for living or an income-generating real estate investment. What needs to be emphasized is that all the necessary documents are already available - the building permit and the project make the construction process simple and efficient, so don't miss the opportunity!
