Description

Description:	<p>ISTRIA, LABIN - Spacious building land On the southeastern coast of Istria, where green hills meet the sea, where nature and heritage meet, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 meters high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. Not far from the town of Labin, there is a spacious building plot for sale. The land is surrounded by greenery and is located in a gentle settlement within the boundaries of the undeveloped part of the construction area of the settlement and offers privacy and peace. The approach to the residential land is from an asphalted local road with low traffic intensity. All necessary infrastructure is located near the land. This spacious plot of land in a quiet neighborhood is the perfect opportunity to build a family home or holiday home. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 26655</p>
