Description

Description:	ISTRIA, LABIN - House with swimming pool On the southeastern coast of Istria, where green hills meet the sea, where nature and heritage meet, there are two small towns with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 meters high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining
--------------	--

that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. A house with a swimming pool is for sale near the town of Labin. It is located in a gentle settlement, surrounded by nature, family houses and holiday homes, offering a perfect balance of rural surroundings and proximity to urban facilities. In addition to the location that provides complete comfort and peace, the property is also distinguished by the quality of construction, which guarantees long-term satisfaction and quality of housing. The newly built house is designed as one residential unit that extends over two floors with an airy interior bathed in natural light that exudes elegance. The ground floor consists of an open concept space that unites the living room, dining room and kitchen with access to a covered terrace. The floor plan of the ground floor is complemented by a bedroom, a study, a bathroom and a room for equipment/storage. The first floor consists of three bedrooms, two bathrooms and a terrace covered with a pergola. The spacious garden is landscaped and horticulturally decorated, and complete harmony is provided by the swimming pool of 36 m² with a sundeck, next to which is an elegantly integrated lounge area with an open fireplace. The excellent location and the spatial organization of the interior and exterior of this property provide an opportunity for a comfortable family life or an investment investment in a tourist rental business.
