Description

Description: Istria, near Vodnjan In a quiet settlement near the town of Vodnjan, there is a unique plot that offers an exceptional opportunity to build real estate in an idyllic setting. This plot is located just a few minutes away from the center of the village,

making it the perfect combination of privacy and access to all important amenities. For sale is an excellent plot of regular shape, with a total area of 748 m², located in the construction area of the settlement. The portion of the road that is not included in the square footage also belongs to the land. The infrastructure is located next to the plot. This plot represents an excellent opportunity for those looking for the perfect place to build their home or an investment property close to all important amenities, yet far enough away for a quiet life. ID CODE: 1041-155
