Description

Description:

Labin, surroundings, Secluded villa with heated pool In the center of a charming wild location that can captivate every visitor from the path itself, which enters the forest from the asphalt road, passing through the shadows of trees and the jumps of squirrels, stands this wonderful villa. On an area of 236 m², it consists of a ground floor and a first floor. It is developed more on the ground floor, which is easy to access and whose entrance represents and connects all the rooms of the house, a living room with direct access to the beach by the pool, a bright dining room with a kitchen and a master bedroom with a bathroom. A staircase leads us to the first floor of the house, where there are three bedrooms with their own bathrooms, and two bedrooms have access to a balcony with a pergola, from which there is an enchanting view of the landscape. Each space is optimized with storage and a practical built-in wardrobe. Next to the heated pool with a total area of 32 m², there is a summer kitchen and a sun deck that will provide you with absolute rest and fun in the warm summer months. The house will be equipped with a high-quality and modern interior, as well as underfloor heating and air conditioning in all rooms. The planned completion of the building is the beginning of the season of 2024. On the fenced and landscaped garden with a total area of 1006 m², you will admire the garden on one side and the view on the other side, you will be greeted by a row of trees that adorn the expanses of trees and greenery. An enchanting residence for those who like to live in the physical and spiritual well-being provided by the wilderness and as such is an ideal opportunity for a tourist investment as well as family life.
