Description

Description:	ZADAR, TURANJ - attic apartment with garden Turanj is a tourist town connected by the "Lungo mare" promenade to the center of Sv. Philip and Jacob. It is precisely the proximity of larger centers that makes it an attractive place that is
--------------	---

close enough and yet far enough away from the hustle and bustle. The town stretches along a 4 km long coast, located in the Pašman channel, surrounded by a small archipelago with 16 islets. The charm of this coast is given by the multitude of "mulići" that provide safe mooring for small boats. From the shore there is an irresistible view of the only inhabited island in the archipelago, the island of Babac, only 1 nautical mile from Turnje. In Turnje, not far from the city of Zadar, we are selling an apartment in a residential building. The apartment is located on the second floor in a high attic. It consists of an entrance hall, two bedrooms, a living room with a kitchen and a bathroom. From the living room and one bedroom there is an exit to the balcony with a wonderful view of the sea. Heating and cooling is via two air conditioners. The apartment also has a garden of 150 m² where you can arrange a summer residence, hidden from view. In front of the building, in the fenced part, there is also a parking space. The building was built in 2021 according to all the required conditions. Dear clients, the agency commission is charged in accordance with the General Business Conditions:
