Description

Description:	<p>ISLAND OF PAG, TOWN OF PAG - Apartment on the waterfront, first row to the sea An apartment for sale in an exclusive location in the town of Pag on the island of Pag. The apartment is located on the Riva in the center of town and has a spectacular view of the sea. The apartment consists of two bedrooms, a bathroom, a kitchen with a living room, a balcony and a woodshed. The island of Pag is one of the sunniest islands in the Adriatic with over 2,500 hours of sunshine per year. Pag is a city that offers preserved cultural monuments, gastronomic specialties and a completely different nature with stone spells. At first glance, the island of Pag is rocky, harsh, bordered by the sky blue sea, located under the wing of Velebit. It is often called the "island of stone" or the "island of the moon" because of the surface that offers a somewhat unusual landscape of stone with so many different shapes that only nature can make. Real estate in the city of Pag is certainly an excellent investment, for tourist rental as well as for family vacations. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions. www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 26899</p>
