Description

Description: Land for sale has a total area of approx. 50000 m², located near the town of Stari Grad on the island of Hvar. This offer refers to a part of the land of 10794m², but it is possible to buy other lands. The plots have a good position facing the sun. The land is located about 2 km from the permanent port and is located near the road leading to the town of Hvar. The climate is Mediterranean. The land has a rectangular shape. The terrain is sloping and olive and fig trees can be seen on it. Height differences on the terrain are solved by terraces and stone dry stone walls. Access to the land is provided by a white road in which the city of Hvar plans to invest and pave it. The road is passable, and the use of off-road vehicles is necessary. There is a water supply network installation in the trunk of the road. Distance to the sea or bay is about 1500m! Favorable microclimatic conditions prevail at the location, and with its position on the terrains, it is possible to grow

VINE. Of the red wines, the following varieties are known: Plavac mali, Plavac ploški, and of the white wines Zlatan otok, Pošip, Bili potok, ... Custom ID: ID-217
