Description

Description: Dobrinj, wider area, This offer is a perfect opportunity for investment without additional payouts. On a carefully landscaped plot the size of 867 m², there is a 187 m² renovated stone house as well as an auxiliary building, 50 m² large, which currently has a residential function. The renovation included new electricity and water installations, and the interior was decorated in a shabby chic style. In front of the house there is a swimming pool with a sunbed, a covered terrace and a barbecue surrounded by Mediterranean plants with plenty of shade to escape the summer heat. The ground floor is designed as an open space that unites the entrance area, kitchen, dining room and living room. Separated from this is a bedroom with a bathroom, which also has an exit to the terrace. An internal staircase leads to the first floor where there is a second bedroom with a bathroom. Heating and cooling is solved by air conditioners and a fireplace. The auxiliary building is in fact a two-story apartment with two bedrooms, a bathroom, a kitchen, a dining room and a living room and is attached to a 75 m² large covered terrace. There is also a gravel parking lot for several cars in an enclosed yard. This property has a well-established tourist rental business. An ideal opportunity for investment as well as for vacation!
