Description

Description: Soline, 150m from the beach, an apartment of 100m² is offered in a building with a total of 6 apartments. It consists of a kitchen with a living room and a dining room, three bedrooms and two bathrooms, and a spacious garden of 100 m². The building is under construction, modern and high-quality materials are used in construction and decoration. Electric underfloor heating will be installed in the apartment. The apartment has one parking space in the garden. Excellent property in an ideal location. Soline Bay is on the north-eastern side of the island of Krk, with a view towards the mainland and the Crikvenica Riviera. Soline Bay is the safest due to its shallowness and closedness, which is why the sea temperature in the bay is higher than outside it, so you can swim in the sea here from mid-spring until late autumn.
