Description

Description:

Krk, wider area - in a beautiful location with a view of the sea, we are mediating the sale of a semi-detached villa under construction. The villa consists of a ground floor with a spacious living room with kitchen and dining room, a guest toilet, a storage room, a room for the heating system, and one bedroom with its own bathroom. The living room leads to a large covered terrace from which you can go to the 8x4 m swimming pool, sunbathing area, outdoor shower, barbecue. An internal staircase leads to the first floor, where you can access a spacious balcony with a view of the sea, and there are also two bedrooms with their own bathrooms and spaces for built-in wardrobes. Both have access to another spacious balcony. The house is built from the most luxurious materials - aluminum triple-glazed windows, underfloor central heating, Mitsubishi ceiling air conditioning system throughout the house, recessed ceiling lamps, top-quality ceramics and parquet, and sanitary facilities. The facade will be partly in stone, 10 cm insulation. In front of the house there will be an electric car charging station. Camera security system, landscaped environment with selected Mediterranean vegetation. A property whose quality surpasses the standards of construction. The price is for turnkey. There is a possibility of sale even before the end of construction, with the fact that the buyer must respect the defined external appearance of the building, and the price is defined according to the degree of buildability.
