Description

Description:

Karlovac, Tounj, idyllic location, house with hydromassage pool and large garden. For sale is a newly renovated detached holiday home in an idyllic location. An opportunity for lovers of untouched nature and people who don't want to go through the agony with the masters, but just come with a suitcase and enjoy. The house is located on a hill with a garden of 5900 m2, and outdoor facilities such as a hydromassage pool with a counter-current swimming function, a shower, an outdoor fireplace and deck chairs, a table under a canopy and an outdoor kitchen are ideal for rest and enjoyment. There is also an orchard in the garden, where during the season you can enjoy freshly picked fruits - apples, pears and plums. The house is located 20 km from Ogulin, 40 km from Karlovac, 40 km from Rastok and only 50 km from Plitvice, and you can walk to the picnic area on the Tounjčica river canyon. The location is ideal for both summer and winter. There is a swimming pool at Mrežnica nearby. The house has an area of 80 m2 and consists of a ground floor with a living room, dining room, kitchen and toilet with underfloor heating, and on the first floor there are storage rooms and two bedrooms. The kitchen leads to a covered balcony, which is ideal for morning coffee, and there is an outdoor kitchen in the extension. The interior is decorated with centuries-old oak beams, a wooden staircase, wooden oak doors, custom-made furniture and unique details, and above all, the quality of the execution itself. The kitchen is fully equipped, from the oven to the dishwasher. The house has pellet central heating (to which radiators are connected) and air conditioners on the ground floor and in the bedrooms. Both heating and cooling can be controlled by mobile phone. The yard is landscaped and in the area around the house of 200 m2 there is a paved parking lot and an area for enjoyment, and the house is bordered by a fence and a remote-controlled gate. The large hydromassage pool has its original cover and built-in water heating, so it is ideal for use all year round. LED lighting has been installed in the decking and in the parking lot for additional atmosphere. The house also has video surveillance that reports every motion sensor to a cell phone for added security. Opportunity for investment in tourism or housing! Welcome to the tour! Custom ID: ID-1398
Energy class: U izradi
