Description

Description:	Beautiful villa for sale in the center of Makarska. The size of the plot is 657 m ² , the net living area is 420 m ² . The house is located in the city center, 200 m away from the main city square (Kačić square) and the city market. The main town beach
--------------	--

is about 800 m on foot. Even though it is in the city center, the house offers exceptional peace and quiet even during the height of the season. The house has an unobstructed view of the city and the port, the sea and the islands of Hvar and Brač. The nearest grocery store is 150 m away, the Makarska Health Center is 400 m away on foot, and the bus station is about 700 m away. On the ground floor is one one-room apartment of 36 m², air-conditioned and fully equipped for rent. Next to the apartment, there is a garage with an automatic door, then a laundry room and two rooms, one 30 m² and the other 9 m². On the ground floor, in a separate room, there is also a boiler room for central heating for the whole house. On the first floor there is a three-room apartment of 115 m² with 2 bathrooms, a kitchen, a dining room and a terrace of 30 m². There is a brick barbecue on the terrace. On the second floor are one two-room apartment of 45 m² and one one-room apartment of 38 m². Each has a terrace of 15 m² with a view of the sea and Mount Biokovo. The apartments are air-conditioned, equipped with satellite television and other modern devices necessary for renting for tourist purposes. The whole house is air-conditioned. Behind the house (with a view of the Biokovo mountain) is an agricultural garden of about 40 m². The rest of the area of about 80 m² is arranged as a yard. In front of the house is a large yard of approx. 300 m² and a large tree with a huge canopy as shade in the summer. At the bottom of the yard there are 5 olive trees that are 15 years old. 6 vehicles can be parked in the yard, which can enter and exit the parking lot freely, without one blocking the other. There is a possibility of building a large swimming pool in front or behind the building. According to the spatial plan, the construction of another floor is allowed. The house was built in 2004, and the renovation is completed. All installations, facade, ceramics, floors, terraces were renewed. The house has the possibility of raising another floor. Don't miss this unique opportunity. Contact us with confidence. ID CODE: ST1863
