Description

Description:

Istria, Medulin, surroundings For sale is a beautiful plot of land with a planned building. The location is extremely favorable because it is well connected to the highway, the airport and the center of the city of Pula. Also, there are shops, schools, kindergarten, church, forest park and other important facilities nearby, which makes this land extremely practical for everyday life. The land covers 965 square meters with a building of 63.75 square meters only 200m from the sea. it is rectangular in shape and is located along the road that leads to the harbor. This property offers many possibilities for living, vacation or investment, and its convenient location and proximity to all important facilities make it extremely attractive. ID CODE: 1035-99
