Description

Description:

This apartment house was built on a large plot of land with an area of 1952 m². The house has 398 m² of net usable area and consists of basement, ground floor and first floor. In the basement there is an apartment with one bedroom and sauna. On the ground floor at the front of the house is large apartment with three bedrooms, kitchen, dining room, living room, bathroom and large terrace, while at the back of the house is large apartment with one bedroom, bathroom, kitchen, dining room and living room from which there is an exit to the large terrace. There are four apartments on the first floor, each with one bedroom, bathroom, kitchen, living room and balcony with sea view. In front of the house is a large parking lot for 10 cars and behind the house is a beautifully arranged garden with garden house and barbecue. The house is on a peaceful and quiet location, completely furnished with nice infield and garden. Since it is built on a large plot of land, there is the possibility of building a swimming pool or a tennis court. It is possible to buy a house on a plot of 1000 m², then the price would be 600000€.
