Filip i Jakov. Sv. Filip i Jakov is known for the former summer houses and parks of Zadar's nobles, of which the one of Borelli family is still known today. Thanks to the Borelli family, tourism in Sv. Filip i Jakov has historical roots, as the two parks and summer houses where the family hosted friends and acquaintances, dignitaries of the time, represent the forerunner of today's cottages and tourist facilities. Today, Sv. Filip i Jakov is a combination of magnificent Dalmatian nature; facing the sea which gives him its mystique and beauty, and in the hinterland it is guarded by the vastness of rich land. It is a combination of cultural heritage and modern lifestyle. For all additional information and agreement on the date of the tour, feel free to contact us at any time with confidence.
