Description

Description: For sale 2 HOUSES in new construction, 120 m from the sea in Privlaka. The property consists of ground floor and first floor. **PROPERTY DESCRIPTION:**
GROUND FLOOR - garage, covered entrance, hallway, kitchen, dining room, living room, bathroom, laundry room and covered terrace **1ST FLOOR** - 4 bedrooms, 4 bathrooms, hallway and covered terrace
Communication between floors is enabled by AB staircase. Access to the plot is enabled from the southeast, through a connection to the traffic area. On a spacious sandy peninsula, near Zadar and royal Nin, lies the fishing and tourist town of Privlaka. Clean and clear sea and shallow sandy coves make it ideal for family tourism. This is also helped by the mild Mediterranean climate, which makes summers warm, with a pleasant whiff of mistral. It has been associated with the sea, seafaring and fishing for generations. Famous are the attractive soap makers, people who have become widely known by painstakingly extracting sand from the sea. In addition to sacred monuments, attractive wells have also been preserved. They were the source of water and the source of life. They witnessed the hard work and fishing of the inhabitants. Today, 12 such wells have been preserved. The most famous among them is the Sokolar well, which is also associated with the legend of unrequited love.
