Description

Description:	KASTAV - Excellent two-story apartment 4S+DB in a newer building The town of Kastav with Kastavština is synonymous with rich history, geographical diversity, interesting architecture and a unique tourist offer! Located "over the sea, canoe soko", as the poet says, similar to all coastal towns, yet different; with a soul in a stone nest, wide enough for all who are ready to experience it in its entirety. Like many cities at the meeting point of Central Europe and the Mediterranean, Kastav has a rich tradition and a recognizable identity. During its history, Kastav
--------------	---

was the administrative, economic and cultural center of Istria and the Primorje; it was and remains a nursery of the people's consciousness, so even when cities much larger than it today began to develop in the surrounding area, it managed to preserve its autonomy, language and customs. We have for sale a beautiful two-story apartment in a quiet and beautiful location with a total area of 295m². The main orientation of the apartment is south, although the entire floor is oriented in all directions. It consists of a living room, kitchen, dining room, 3 large bathrooms, 4 bedrooms, 2 balconies, one of which is larger and has part of the terrace. Air conditioning heating with inverter. There are large storage rooms in the attic. It is sold with furniture by agreement. The apartment also has 4 parking spaces. Really beautiful, comfortable and superbly equipped apartment for family life. A property worthy of attention and definitely recommended by the agents who are at your disposal for any additional questions and a tour of the property itself. Contact us with confidence! Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
