Description

Description: Jasenice - Maslenica MAXXIA presents a luxuriously equipped two-bedroom apartment with a surface area of 65 m² in a new building. Planned completion of construction for summer of 2024. The apartment is located on the first floor of a building with 3 other residential units with separate entrances and different orientation to provide maximum privacy. Two parking spaces in the courtyard of the building. The apartment consists of: - open space kitchen with a living room and a dining room, - 2 spacious bedrooms, - bathrooms with a toilet, - guest toilet, - covered terraces with a sea view of 9 m². The property will be built according to

the SMART HOME principle and each apartment will be equipped with a system for digital control of heating, cooling, anti-burglary and anti-fire systems, home lighting, audio/video system, etc. This type of management enables optimal use of energy and simpler management of the apartment. Underfloor heating and cooling via a heat pump, electric shutters, high-quality glass walls, LED lighting of the terrace and yard, anti-burglary and fire doors, alarm system, etc. Planned installation of solar panels. The floor coverings are first-class ceramics with a large profile. The building is located in a quiet and a very attractive part of Maslenica with a panoramic view of the sea and the islands, approx. 700 m away from the sea! All additional information on request. **TOUR OF THE PROPERTY INSURED 7/7 DAYS BY PRIOR ARRANGEMENT!**
