Description

Description: Luxury villa in magical Primošten, only 400m from the sea and 1000m from the

town center. The villa is located within a modern complex with 5 villas and a luxurious residential building with a swimming pool. The villas are positioned in such a way that they all have an open view of the sea and Primošten. Villa K1 consists of a basement, ground floor and first floor and has a total net area of 293.98m². The basement consists of a garage for 2 cars, a storage room and auxiliary and technical rooms. The ground floor consists of an entrance area, a bedroom, a bathroom, a guest toilet, a spacious living room with a kitchen and a dining room that leads to a spacious outdoor terrace, a 45m² swimming pool and a sun deck. On the first floor there is a laundry room, and 3 bedrooms with en suite bathrooms and exits to a large terrace with a fantastic view. The yard is made up of a beautifully landscaped garden enriched with Mediterranean plants. Irrigation of green areas is automatic. Property management service, which includes pool maintenance, is also planned. Complete completion of works and occupancy by the summer of 2025. The villas are built of the highest quality materials, the project was created by the architectural office Erak Mikulić arhitekti, and the interior and furniture design was taken care of by the renowned Croatian designer Velinda Mršić. Villas can be bought unfurnished with equipped and functional bathrooms (advertised price), they can also be bought fully furnished and equipped by well-known designers at a price of 1,750,000 euros.
