Description

Description:

For sale is a semi-detached house located in the vicinity of Tinjan, built in 2022. The house has an area of 84 m² and spans two floors, with a plot of 268 m² and two parking spaces. The ground floor consists of a spacious living room, kitchen, and dining area in an open space concept, a bathroom, and a storage room. The living room opens onto a terrace and a pool. Upstairs are two bedrooms, a bathroom, and a laundry room. Heating and cooling are provided by air conditioners, while the first phase of pellet central heating has already been implemented. Thanks to good thermal insulation, cooling is practically unnecessary in the summer. All necessary amenities for everyday life are nearby, making the location practical and functional. Given the peaceful surroundings and favorable location, this house is an excellent investment for living or for tourism purposes. Tinjan, a town near Pazin, on a hill above the Lim Valley, with 408 inhabitants (2011), is the seat of the homonymous municipality. It is located on the county road Pazin–Poreč and the intersection of roads to Muntrilj, Kringa, and Sveti Petar u Šumi, on the edge of a karst plateau above the fertile, deeply incised Draga.
