Description

Description:	Istria, vicinity of Medulin For sale is a building plot located in a quiet settlement in the vicinity of Medulin. The settlement is known as a tourist destination, especially because of its coastal position and various possibilities for relaxation. The

settlement is well connected to the surrounding cities, especially Pula, where there are various facilities, shopping centers, restaurants and cultural attractions. A spacious building plot, of regular shape, has a total of 1,501 m2 and is located only 300 m from the sea. The distance from the sea is only 300 m, making this plot extremely attractive for lovers of the coast and peaceful life. The plot is completely for construction, residential purposes, allowing you freedom of choice in planning your project. This plot, in addition to providing a perfect combination of nature and proximity to the sea, also offers an exceptional perspective for investors and those looking for an ideal place for residential construction, so don't miss this opportunity!
