Peter, most of them are still covered with stone shutters, gray since ancient times. We are selling this beautiful new building in Sveti Petar! It is a villa with an area of 203.32 m<sup>2</sup>, which consists of a ground floor and a first floor. There is also a storage room and a toilet on the ground floor. On the 1st floor there are 3 bedrooms, each with its own bathroom. One of the rooms is the master bedroom with an area of 21 m<sup>2</sup>, the spaciousness of which the future owners will be able to enjoy to the maximum.
