maximum utilization for additional facilities in the garden. The house consists of two floors - the ground floor, which consists of an open-concept living area, sanitary facilities, wardrobes and a technical room for the central heating system and a laundry room with all the necessary connections, a room for storing personal belongings, bicycles and mobile equipment for the garden and swimming pool. The special part of the ground floor enchants with an indispensable wellness area with sauna and shower. Upstairs there are 3 bedrooms, each with its own bathroom. On a comfortable fenced garden rich in centuries-old olive trees, native flowers and a lawn with irrigation, there is a swimming pool with salt water and a heating system of 40 m² with a sun deck and a fireplace with a covered dining area where the summer kitchen is located. The emphasis must be placed on the imposing metal gate that frames the entire picture inside the walled property. Top quality construction with 10 and 15 cm facade insulation, PVC windows, aluminum sliding shutters in the rooms, sliding glass walls on the ground floor, water-based underfloor heating with a Mitsubishi heat pump, cooling system, filomuro doors, microtopping floor covering, Italian furniture and lighting, and high-end equipment in the interior as well as in the exterior are the main features that guided the investor in the construction of the entire story. Parking for two vehicles with a charger for electric vehicles. This superb villa is sold fully furnished and equipped. This perfectly integrated property provides maximum comfort and convenience thanks to first-class facilities and high-quality equipment and is an ideal opportunity for a peaceful family life but also a successful tourist rental. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 27556
