Description

Description: Angelus nekretnine offers for sale a three-bedroom apartment of 131.83 m2 in NEW CONSTRUCTION in Split - Žnjan district LOCATION The apartment is located in a quiet environment, in a very attractive location, in the southeastern part of Split and has excellent connections with other parts of the city. An exceptionally urban area of the city that has everything you need for a comfortable life. In the immediate vicinity are the Pazdigrad Elementary School, kindergartens, various shops, children's parks, a pharmacy, a health center, and a public transport station. The distance from the sea and the nearest beach is less than 300 m, as well as from the promenade on Žnjan. The building is far from important communal and traffic points: Public city transport - 100 m, Clinical hospital center - 1 km, City center (Riva) - 4 km, Zagreb-Split highway - 20 km, Split airport - 25 km. DESCRIPTION: A three-room apartment in a new building with a total net area of

131.83 m is for sale, located on the fifth floor of a residential building, oriented south-east-north. The apartment consists of an entrance hall, kitchen and dining room with living room, three bedrooms, wardrobe, two bathrooms, one toilet, one balcony, one covered and one uncovered terrace. The building of modern architecture and high energy efficiency is built according to modern standards from high-quality materials with all the necessary equipment. The building has two basement garages with parking spaces, ground floor, four floors and a superstructure. There is one entrance with an elevator that connects all floors. The price of a parking space in the basement is EUR 1,800 per m². The building has a southern orientation and is exposed to the sun all day, and at the same time offers a beautiful open view of the sea. The investor is in the process of obtaining a building permit. The planned construction start date is the summer of 2024. Payment is made according to construction phases: 30% of the price upon signing the preliminary contract, 40% upon completion of the building's concrete construction, and 30% for the facade. The property has great potential, whether it is a place for a peaceful and quality life or as an investment for the purpose of renting.
