Description

Description: In Samobor downtown we are selling a residential and commercial facility with three business premises on the ground floor, spacious four-room apartment with terrace of 40 sqm on the first floor and a spacious attic area. Of the above - two business premises (one of 60 sqm and the other of 40 sqm) are arranged and in operation, i.e. they are rented, and the third business premise (65 sqm) is a coffee bar - until recently in operation as such. The apartment is spacious and bright, and there is a possibility of decorating the attic whose height "in the ridge" is 6 m. The roof was newly made in 2000. The location is exclusive since the facility is located at only 2 minutes' walk to the central city square. The charm and old-fashioned "flair" that the space exudes provide the new owner enjoyment in the part of history preserved thanks to the buildings in the old city core of Samobor, and yet

with the possibility and potential for interior decoration according to the new and more modern solutions.
