Description

Description: Omišalj, preserved antiquity on the edge of the historic core of the city. Access to the house is possible with a small car. In front of the entrance is a spacious paved terrace of 35 m². On the ground floor of the house there is an entrance area, a kitchen of 36m² with a dining room, a pantry, a living room and a bathroom. The rear exit leads to a 36m² garden. Internal stairs lead to the first floor, where there are two bedrooms, one of 20m² and the other of 12m². From the smaller room, stairs lead to the attic, which is 1.60 m high in the middle. The house has been completely renovated with a new roof, new electricity and water installations, new ceramics and waterproof laminate, with a new chimney, insulation, two air conditioners for heating and cooling, and new PVC joinery. It is sold with new furniture and equipment. It has a rare addition, unlike most houses in the old center of Omišalj, the possibility of access by car, as well as a terrace and a garden. Great property for living or investment. Custom ID: ID-1437 Energy class: A
