Description

Description:	<p>Labin and its surroundings are known for their beauty and rich cultural heritage. The proximity to the sea makes this location even more desirable. A building plot of 4155 m² with access to the land right next to the road, only 3.5 km from the sea in the vicinity of Labin, all the necessary infrastructure nearby and from the first floor with a view of the sea is an extraordinary opportunity! The terrain has access right next to the road, which facilitates the transportation of materials. This is extremely important for fast and efficient construction. Only 3.5 km from the sea, this land offers proximity to beautiful beaches and sea activities. The view from the first floor to the sea adds value to the land and provides potential owners with an incredible experience. The presence of the necessary infrastructure nearby means that water, electricity, sewage and other resources are easily available. This facilitates the construction process and makes the land even more attractive for different types of projects. This building plot in the vicinity of Labin represents an extremely favorable opportunity for construction or investment. With access to the land right next to the road, close to the sea, sea view from the first floor and all the necessary infrastructure nearby, this land has great potential for different types of projects that would attract buyers or investors.
