Description

Description:	<p>ISTRIA, KRŠAN - Spacious construction land The municipality of Kršan today occupies part of the area of the former municipality of Labin. The area belonging to the Municipality of Kršan is located in the central part of the eastern coastal area of the Istrian peninsula. The climate is mild, Mediterranean, where there are no large temperature amplitudes - winter conditions are rare, with a lot of sun and warmth. Kršan can rightfully boast of a rich cultural and historical heritage, which in some places dates back to the 11th century. In the territory of the municipality of Kršan, the remnants of the Glagolitic and sacral heritage and old crafts are interwoven with modern tourist offers and a variety of gastronomic delights. The area of the municipality of Kršan is the habitat of an endemic species - the Istrian bluebell. In the settlement of Kršan, there is a building plot for sale with an area of 5065 m² with a beautiful view of Učka. The land is flat and has a regular shape. Electricity and water connections are located in the immediate vicinity, and a septic tank needs to be built for waste water needs. Considering the size, it is possible to build several buildings or divide them into several smaller plots. Ownership in order. An ideal property for the construction of several buildings with accompanying facilities. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 27672</p>
