Description

Description:	<p>ISTRIA, PULA - New construction! Apartment with two bedrooms! Pula lies on the southwestern part of the Istrian peninsula in a well-protected bay and is the largest city in Istria. It is known, like the rest of the region, for its mild climate, calm sea and untouched nature. The town has a long tradition of winemaking, fishing, shipbuilding and tourism, and is also a transit port. Pula has been the administrative center of Istria since Roman times. Today, around 67,000 people live in the inner city area, but the area that gravitates towards it every day, and due to a combination of circumstances, is not administratively included in the structure of the city, although, in fact, it is an integral part of it, has more than 100,000 inhabitants. This smaller residential building with a total of 6 residential units is located on the outskirts of the city of Pula. The property in question is located on</p>

the ground floor and has a total living area of 54.88m². It consists of a small entrance hall, a living room connected to the kitchen and dining room, two bedrooms and a bathroom and a terrace with access to a private yard of 97 m². Each property is equipped with PVC joinery, electric underfloor heating in the bathroom, while the rest of the apartment is heated and cooled by inverter air conditioners. The floor coverings are high-quality laminate and tiles, which future owners have the option of choosing within the investor's budget. Each residential unit has its own parking space. The apartment is sold fully furnished as shown in the photos! The planned start of construction is September 15, 2024. while the completion of the works is scheduled one year later, i.e. September 15, 2025. years.
