Description

Description:	<p>On the southeast coast of Istria, where the green hills meet the sea, where nature and heritage meet, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 meters high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. An apartment for sale located in the old town center of Labin with a beautiful view of the sea. The apartment is located on the ground floor of the building and is 35 m² in size. The apartment needs to be completely renovated and adapted to the needs, the pictures are conceptual in nature. It is located a few steps away from the main square, which means that restaurants and cafes are in the immediate vicinity. This allows apartment tenants easy access to all key services and facilities that Labin offers. It should be emphasized that the old town of Labina is an ideal place to rent. Ideal property for tourist rental or everyday life. Dear clients, the agency commission is charged in accordance with the General Business Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 27618</p>
