Description

Description:	<p>Stanpromet.ba - real estate agency selects from its offer for sale apartments within the Vila Aleksandra building, Šator settlement, Jahorina 80 meters from the trail and the six-seater Snježna dolina Trnovo. Jahorina - Villa ALEKSANDRA: The building consists of two independent units - business and residential part (apartment accommodation) and consists of 14 superbly planned apartments and business space on the ground floor of the building planned for a restaurant with a capacity of 200m² with a traditional kitchen. With each apartment, the buyer also gets a ski storage room for storing equipment. The entrance to the ski room is from the building through common communications, and the entrance to the ski rental is separate from the northwest side via an external single-leg staircase. The floors are connected by an elevator that can carry up to 8 people as an indispensable part of every modern building. 30 square meters of space on the ground floor of the building, which will really serve and mean to customers if you rent an apartment, the user can also rent equipment. We are located on the southwest side of the sports and recreation complex, just 80 meters from the Snježna dolina track and the Trnovo six-seater. The works are in progress, and the completion of the works is planned by the end of 2024! The apartment we present to you is called APARTMENT A1 and consists of a storage room, bathroom, living room with dining room and kitchen with a total area of 21.19m² and is located on the ground floor of a building with an elevator. At 80m there is a ski track Snježna dolina</p>
--------------	--

Trnovo which is connected to other tracks and a ski lift with lighting, a system of artificial snow as well as a training ground for children and a board track.
